	GVWR	Hitch Weight	Axle Weight	NCC	Axle
40SBS	21,000	3,620	12,850	4,530	(3) 7,000
41CKS	21,000	3,759	12,525	4,716	(3) 7,000

For your safety and satisfaction, 2009 Escalade Sportster fifth wheels are weighed during our final inspection process. Beginning with run number 245-6, each coach will have federally mandated NCC (net carrying capacity) placard placed in the coach. The chart above reflects coaches as typically equipped. The options you select will affect the weight of the coach and your carrying capacity.

One **less** thing to **worry** about.

Worry-free protection against unexpected repairs for new or pre-owned travel trailers, fifth wheels and toy haulers

■ Comprehensive coverage

■ Professional claims administration with over 25 years of experience

■ Protection throughout the United States and Canada

■ Special coverages
