These attractive Toy Haulers feature a standard queen bed loft for additional sleeping with its own area for a TV.

This is the ultimate unit for entertaining in this open concept floorplan. The bright maple interior gives it a look you won’t find with your traditional toy haulers.

The side aisle bath, offered on the 40P, provides privacy for the owner and their guest.

Swivel Mount TV

The optional LCD swivels to provide optimal viewing on most models.
This floorplan offers a great cross-convosational area that is inviting to you and all your guests. The spaciousness of this floorplan makes it easy to entertain.

For Comfort
The enormous u-shaped dinette offers plenty of room for people to gather.

For Convenience
Simply remove the table and transform the dinette into a large sleeping area.

For Storage
Storage is a hot topic for all campers. In every Sportsmen Sportster floorplan we utilize every possible area for storage.
For those of you with size constraints, don’t let it keep you away from your toy hauler search. The 33P offers you a spacious camping experience without the length. This will allow you to camp at more campgrounds across the country.

Pass-Thru Service Window

These floorplans offer a pass-thru service window as an exclusive feature on the Sportsmen Sportster line. No need to have guests running in and out for beverages or food with this unique feature.

The booth dinette is roomy enough to sit four comfortably and offers the ultimate in storage.

No more messing with drawers or doors with the easy lift dinette cushions.
