*This weight reflects the rolling average unit weight for each model. Your trailer weight will vary according to optional equipment.*
CL180
Light and airy, the overall look and design of this interior is so inviting. The kitchen showcases the integrated appliances including matching refrigerator front panels. The sofa side slide out creates even more floor space, and the flip jiffy sofa quickly converts into a bed. No wasted space here. Efficient design results in lots of storage.

15C
This model features both front and rear tented tip-outs that add to your sleep space. Screened tent windows have zipper privacy panels. The dinette converts to a bed as well.

16C
These light weight models are perfect whether you’re just starting out, or thinking of down-sizing. Big things come in small packages, and this value-packed line proves that out. Offering plenty of quality features, you’ll take comfort on the road. It’s a memory maker for sure.
