Ultra Lightweight Travel Trailers
The Vision ultra-lightweight travel trailer is designed to be pulled by today’s smaller, more fuel efficient, tow vehicles. When towing the Vision, the tandem axles add stability to the trailer by reducing the sway.

The deep double bowl sink makes it easy to prep food and clean dishes. Sink covers provide additional counter space.

Double door residential glass shower with multi-shelf surround.

V20RBS  Bedroom has a queen bed with reversible quilted comforter.
