The Durango 2500 line of full-profile fifth wheels offers amenities not found in most higher-end products. Fine wood accents throughout, including large ceiling crown moldings, a fantastic entertainment system with three speaker zones, sumptuous residential furniture and interior fabrics and LED lighting inside and out are just some of Durango’s features.
Kitchens and dining areas offer ceiling fans, large stainless steel sink, family-sized appliances (including an 8-cubic foot refrigerator, 22-inch, high-output oven with broiler, and 22-inch microwave), custom solid-surface countertops, and four-inch, high-density foam dinette cushions (where offered).
Full-height master bedrooms include luxurious bedspread and pillow shams, a padded headboard with power on both sides of bed, bedroom speakers, generous, multi-function front closet (including dual drawers, large hanging space and washer/dryer prep), dresser and extra-large, under-bed storage.
Durango 2500 baths include a 48-inch one-piece fiberglass shower with glass doors, porcelain foot-flush toilet, and a large linen closet.
