The wide open luxurious space of the Durango Gold 370RLT is a fulltimer’s dream! Main living spaces offer plush furniture including dual swivel rocker recliners and a deluxe hide-a-bed sofa, LED lighting throughout, plush 22-ounce residential carpeting and an entertainment system that includes a radio, Bluetooth and two speaker zones, and an HD LED TV on a swing arm.

Kitchens include stainless steel appliances, a high-arching pullout faucet and stainless steel double-bowl sink, generous solid surface counters, and upper and lower storage cabinets with hidden hinges and large grab handles. Drawers offer heavy-duty 100-pound drawer glides. Island kitchen floorplans offer additional storage and work surfaces. The dinette has a table extension leaf, under-chair storage and two additional folding chairs for extra seating. 370RLT is shown with optional upgraded roller shades.
Bedrooms include an enormous closet with tons of door and drawer storage, including a shoe cubby, king-sized upgraded mattress (on most models) with bedspread and pillow shams, and a standard HD flat-panel bedroom TV.

Baths offer accent lighting, a one-piece fiberglass shower stall with glass doors and built-in seat, a porcelain foot-flush toilet, and extra-large solid surface bath vanity with stainless steel sink.
The 6-point leveling controls are located in the sealed battery storage compartment (no battery boxes required).

Durango’s convenience center includes controls for the hot/cold exterior shower, cable/satellite hookups, city water connection, black tank flush control, winterizations center and color-coded instructions.

The drop frame allows for large pass-through storage – up to 180 cubic feet on some models!

Lightest high-profile, wide body, luxury fifth wheels in the industry (average weight under 12,000 LBS)

K-Z RV has received the Dealer Satisfaction Index Award for 16 years.

K-Z’s 44 years of stable, dedicated manufacturing experience, coupled with its predominant Amish workforce, heritage and commitment to superb quality, allow us to produce the lowest-priced luxury fifth wheel available.

*Due to continual research and advances, manufacturer reserves the right to specify different materials, design, price and equipment without notice, and assumes no responsibility for any error in this literature. Some items shown are not included as standard or optional equipment.
Outside, Durango maintains its striking good looks with a Lamilux® high-gloss colored gelcoat fiberglass front cap and smooth fiberglass sidewalls. Underneath that outer skin, you’ll find 6-sided 100% aluminum-framed construction, an all-weather insulation package, a fully-enclosed and heated underbelly and water system, and a huge fully-finished, heated and sealed pass-through storage compartment. Down below, Durango Gold offers top-of-the-line Dexter® axles with auto-adjusting brakes and height-adjusting hangers, and the EZ Flex® rubberized suspension.

All in all, we believe that any model you choose of the Durango Gold line of quality full-time luxury fifth wheels is sure to offer the perfect getaway home.

Visit your local dealer and see for yourself.

K-Z strongly encourages our retail customers to purchase from their local dealership whenever possible.
