Whether on a weekend getaway or an extended stay, the Durango 2500 bathes you in luxury. The stunning interior pampers your senses with rich furnishings and easy-living features like the sound bar entertainment center and residential appliances that include a 22-inch, high output oven with broiler and 30-inch microwave over the range. The accent in the ceiling and slideout adds a touch of opulence, while the single roller shades at the windows provide privacy with style. Besides all the standard features, optional enhancements are available to customize to your tastes and lifestyle.

**Standard Exterior Steps** Lightweight, rustproof aluminum, with strong steel linkages and frame.

**Under-Mount Spare** Out of the way, easy crank-down, doesn’t interfere with bike rack or rear hitch.
50 AMP Service
Satisfies all your electrical needs.

Key-Alike Locks
Increased security and ease of use.

LP Quick-Connect
Allows for additional LP appliances.

Industry’s first self-contained, lightweight and adjustable ground-stable step that provides secure footing (optional).
Once you settle into Durango’s deluxe residential-style furniture and cue up your favorite television show, you may not want to leave. With its 4-inch, high-density foam dinette cushions, wood-topped booth dinette and optional wide-view fireplace, this might just be better than home! Add to that Durango’s solid surface kitchen countertops, heavy-duty 100-pound drawer glides on every Baltic birch drawer box, plus pots and pans storage drawers under each booth dinette, and you are in for a real vacation, my friend.
All Weather Insulation Package

Standard on all Durango 2500s, the all-weather insulation package includes upgrades to roof, floor, ceiling, endcaps and tanks to R-38, allowing you to enjoy your fifth wheel all year long.

Off The Grid Solar Package

Off The Grid solar package with 160W solar panel offers the freedom to unplug while you're away (optional).

Durango 2500 comes standard with 3" x 14" foam-core in-floor straight-line heating system with 35,000 BTU furnace and 15,000 BTU ducted roof air conditioner.

My RV gives you command of your fifth wheel from one location, with the touch of your finger. This allows you to control the awning, landing gear, and slideouts, as well as access to troubleshooting videos and your owners manual (included with optional leveling system).

3,000 Pound rear towing hitch is standard on all Durango fifth wheels!

Portions of this brochure were used with the expressed authority of Dexter Axle, but Dexter Axle is not responsible for the accuracy of the information contained herein.

Outside Speakers
Standard on all Durangos.

Heated Water Convenience Center
Includes black tank flush, power fresh tank water fill, winterizing system and outside shower.
