K-Z is headquartered in Shipshewana, Indiana, and was founded in 1972 on the principles of quality, fairness and integrity. Today, K-Z produces several widely-recognized brands of towables, including Durango, Sidewinder and Venom.

The first RV K-Z offered was a truck camper, and was designed, fabricated and assembled by two employees. Then 12 employees. Then we added travel trailers. And 20 employees. Then fifth wheels. Over the years, as the product selection grew, so did the headcount. Today, the K-Z campus covers 530,000 square feet, includes over 600 employees (one of the largest employers in our area), and hosts 20 product lines that offer close to 200 floorplans.
