TRAVEL TRAILERS

## SPORTSMEN<sup>LE</sup>

Family adventures are all the more memorable in the Sportsmen LE. These durable travel trailers are built to withstand the rigors of family camping, yet loaded with comforts. With a large choice of floorplans and optional configurations, we're sure to have the perfect match for you.

After a day of fun, the comfortably furnished interior welcomes you home with room to relax. Generous slide-outs for expanded living space, beautifully workable kitchens, and plenty of storage space create a homey environment.

There's room for the entire crew in this kids bunkhouse! Dual bunks that each include a window allow for excellent ventilation. On the opposite side, a flip-up hinge bunk above and jiffy sofa below double as sleeping space at night and seating during the day, along with a rear bench seat.

220RDLE | French Roast décor

The large U-dinette serves dinner with a view. Large panoramic windows offer excellent cross ventilation.

Even our smaller floorplans feature homelike kitchens with full-size appliances, such as a 6.3 cubic foot refrigerator, 3-burner cooktop with range hood, and microwave; plus, plenty of counter and storage space.

## TRAVEL TRAILER TOY HAULERS

When you have toys to bring along, the Sportsmen LE Toy Hauler accommodates your lifestyle with all the same quality living features that double as cargo area for easy transport.

Unload the toys and the flexible cargo area converts into spacious living quarters with a free standing table and roll-over sofas that fold down for extra sleeping space at night.

# INTERIOR & EXTERIOR FEATURES

Store all your extra gear in the cavernous under-bed storage system, with gas struts for effortless, easy-lift access.

The convenient full length pantry has adjustable shelves for useful storage of canned goods and foodstuffs.

Floorplans with the optional outside kitchen stations allow your family to enjoy the ambience of outdoor cooking without the mess of campfire prep and cleanup.

Our key-alike entry system offers not only the convenience of one lock for all applications, but security as well. Now, other campers with standard industry keys can't open your storage compartments or entry doors!

The optional rear storage system offers additional trip storage for firewood, bikes and anything you don't care to store in your unit, and is rated for up to 150 pounds. (N/A on toy haulers)

Exterior storage areas are sizable and easy to clean, and include extra-large radius doors with magnetic catches.
