You’ll find no wasted space in our Sportster Toy Haulers! Everything you need for fun and pleasure are neatly built into these exceptionally livable floorplans. Whether your towing needs require a travel trailer or fifth wheel, a wide variety of floorplans, standard features, and optional enhancements are available to make a perfect fit for your individual needs.

To fuel the crew, the kitchen is well equipped to prepare a feast with a large 8 cubic foot refrigerator, drop in cooktop with glass cover, microwave with turntable, and deep under-mount sink with high-rise faucet.

Sleeping quarters are tucked away over the cargo area with an ingenious loft bed that includes two storage cubbies. Below, the optional sliding glass patio door separates the garage from the living area.
After a hard day’s ride, the flush floor master bedroom offers comfort and rest, and is furnished with a queen size bed, 4-drawer dresser, and two mirrored wardrobe closets with additional storage overhead.

Clean up from the ride in this spacious walk-through bathroom that features a home-like radius shower with glass enclosure, linen closet, and large vanity.
Play hard and live large with Sportster Travel Trailer and Fifth Wheel Toy Haulers. Bring along all the toys and still have ample, comfortable living quarters for the family. Meticulous design and innovative features give you the best of both worlds.

After a hard day of play, chill out with this multi-media entertainment center. Rich cabinetry houses an optional 39-inch TV with stereo, DVD player, Bluetooth technology, and NFC connectivity along with dual 12 volt USB ports for charging your mobile devices.

Even the big guy will find plenty of head and elbow room in this large shower, with an easy clean surround and molded multi-shelf soap/shampoo holder.
In transit, the rollover sofas fold up and out of the way for hauling your favorite toys. Upon arrival, unload and flip the sofas down to create comfortable lounges and dining space or fold down flat for sleeping.
