

ESCALADE™

by K-Z

A Higher Level of Luxury

37RK shown with cinnamon décor

Ascending to new heights.

ESCALADE™
by K-Z

The name says it all.

You have worked hard to get here and now is the time to reward yourself. Experience the luxury of Escalade™ and all it has to offer. You'll appreciate the attention to details.

The versatile coffee table with swing-up top does double duty as a desk.

Refined is a term that best describes the richly detailed cherry wood trim and coordinated décor colors. Corian® countertops, raised panel residential-style cabinets, twin lounge recliners as well as Sony® stereo with full surround sound entertainment center and optional fireplace make your stay a delight.

Plenty of storage in this bedroom and space for a 15" flat screen TV too!

Large corner shower with sliding glass doors

The natural beauty of maple shines through in the clean lines of the Escalade™ cabinetry. Accents of leaded smoked glass overhead cabinet doors add a distinctive touch to the abundant storage space found throughout these fifth wheels - from the living room, to the kitchen and into the bed and bath.

The solid wood cabinets feature cathedral style doors and concealed residential style hinges, while stainless steel fronts accent the appliances.

36KS shown with cabana décor

Entry closet with electrical command center

Glide-out keyboard and folding chair

The Kitchen features Corian® countertops and deep basin stainless steel sinks as well as an oven to prepare those home-cooked meals.

Sliding glass shower doors

Etched smoked glass bedroom privacy doors

You're surrounded by comfort and luxury in this bed and bath. The 60" x 80" queen size bed with a plush pillowtop mattress is the perfect end to a perfect day. Or, if you prefer, select the optional king size bed to grace your bedroom.

Relax in style and comfort when you retire each evening to enjoy a flat screen TV from the plush comfort of your bed.

ESCALADE™

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.

2X2 WARRANTY – The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warrantied to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at <http://www.kz-rv.com>.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

GROSS VEHICLE WEIGHT RATING (GVWR) – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC.

NET CARRYING CAPACITY (NCC) – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

*A Reputation Designed and built on
Over Three Decades of Experience.*
