

## PURCHASE WITH CONFIDENCE!

We've proven that it's possible for a company to design products that satisfy the modern consumer and maintain exceptional product quality, value and service.

As a manufacturer, we understand that when you find the right RV that fits your needs, you want total confidence in your selection. K-Z is proud and confident of the products it provides. Therefore, we offer the original purchaser of Durango Gold, Durango 2500, Durango 1500, Spree, Spree Connect, MXT, Sportsmen Sportster, Sportsmen, Venom and Vision a bumper-to-hitch 24 month limited warranty (from date of delivery).<sup>\*</sup> This 24 month limited warranty gives you confidence in knowing you've partnered with the right manufacturer.

Take a closer look at K-Z's bumper-to-hitch 24 month limited warranty. If the component manufacturer's warranty terminates prior to the K-Z coverage period, K-Z's umbrella of protection covers it. When K-Z says 24 months, ***we mean it!***

For a copy of the limited warranty with full terms and conditions, ask your local K-Z dealer.

---

**This 24 month limited warranty is twice as long as most manufacturers' warranties.**

**The difference is 365 days compared to 730 days.**

<sup>\*</sup>The following products have a one year limited warranty, Sportsmen Classic, Sportsmen Show Stopper and Spree Escape.

**WE WILL HELP PROTECT YOUR INVESTMENT  
WHILE YOU ENJOY YOUR NEW RV.**
