

KZ Venom V-Series V3815TK

The V-Series V3815TK from KZ RV is an 8-foot, 5-inch-wide fifth-wheel toy hauler that's a home away from home for you and your dirt bikes, ATV or UTV. The KZ Engage control system monitors tank and battery levels, and extends and retracts slide rooms, the leveling system and awnings on its 5-inch screen or via a smartphone app.

The kitchen has maple-glazed solid-wood cabinetry and includes a large

pantry, a hutch, solid-surface countertops and a deep stainless-steel under-mount sink with a pull-down sprayer. A two-piece stainless-steel LP-gas cooktop with a built-in oven and a 30-inch convection microwave are standard, as is the large 12-cubic-foot LP-gas/electric refrigerator.

The bedroom comes with generous cabinets, mirrored sliding closet doors,
